"Alumni Unite: An Appeal for Donation to Empower Bright Minds"

Dear Alumni,

Happy to inform that ADIT is completing 25 years of Glorious Journey. Your journey as a proud graduate from ADIT is a testimony to the power of education. Many among us were once lifted by the generosity of others. Now, it is our turn to extend that same life-changing support to intelligent yet financially challenged students who desperately need a helping hand.

We are launching a focused initiative to provide these students with the resources they need to excel. To ensure fairness and transparency, a dedicated committee will be established to manage and distribute the funds responsibly.

By supporting this cause, you're not just funding education—you're transforming lives, fostering innovation, and building a stronger community. Imagine the ripple effect of your generosity: empowered students achieving their dreams and paying it forward to others in need.

Join us in this noble mission. Every donation, no matter the size, brings hope and opportunity to those who need it most.
