Date of Visit	02/08/2024
Time of Departure from College	1:30 pm
Time of Return Arrival at College	5:00 pm
Duration of Visit	Half Day
<p>The 3rd year students of B.Tech Dairy Technology programme visited Vidya Dairy, Anand dated on 02/08/24 as a part of industrial visit in the course curriculum “Cheese Technology and Starter culture”. The purpose of the visit was to make aware about the industrial production of cheese. The visit was lead by Dr. Rajeev Kumar, Assistant professor, Department of Dairy Technology under the supervision of Dr. Mitesh I Shah, Head of the department.</p> <p>Vidya Dairy is a renowned organization to train dairy professionals across the country time to time in the area of processing as well as quality and testing of products. The organization currently engaged in the production of various type of cheese such as cheddar, mozzarella and processed cheese. The processed cheese is very popular product that being marketed by AMUL. The dairy is well equipped with cheddar cheese process line by handling 6000 liters milk coagulation vat capacity. Students well aware about the use of starter culture, rennet activity, cooking, cutting, cheddaring operation, pressing and hooping operation etc. Students get motivated from the visit as it helps in skill enhancement among them.</p>
