Report of Educational Visit (A.Y.2024-2025)

Name of Unit	AMUL, Anand		
Number of Students	55		
Year & Semester	I, II, III Year		
Faculty Members	Dr. Mitesh I Shah, Dr. Ronak R Shah, Dr. Rajeev Kumar		
Supporting Staff	Mr. Hardik Solanki		
Date of Visit	26/07/2024		
Time of Departure from College	10:00 AM		
Time of Return Arrival at	5:00 PM		
College			
Duration of Visit	Full Day		

A visit was planned to participate in the "Milk Awareness Campaign" organized by AMUL in collaboration with Indian Dairy Association. About 55 students participated in the event. The event was witnessed by the auspicious presence of Dr. Amit Vyas, Managing Director, AMUL, Dr. N.H. Kelawala, Vice chancellor, Kamdhenu University, Dr. J.B. Prajapati, Chairman, IDA west zone, Dr. Preeti Shukla, Organizing secretary, Dr. K.D. Aparnathi, Ex-Head, SMC college of Dairy science and Dr. Amit Patel, faculty SMC college of dairy science. The program was started by lightening the lamp by dignitaries present there. The diganitaries addressed the gathering and put their insights on nutritional significance of milk despite the compositional complexity of milk system. Milk has shown some allergenic behavior but fermented products are alternative for this. Milk protein has better digestibility over other plant proteins. Milk is known as complete food and helps in curing various diseases and used in human life from ancient civilization. Milk is available naturally but the alternate milk obtained from another source can only obtained by using either chemically processed or refining/modification thus it may have some health issues as well. The misconception about A1 and A2 milk was also removed which is very common now a day. The overall outcome of the milk campaign programme was that milk and milk products can't be replaced by the alternative source of milk. The session was brainstorming and misleading information about milk is in fact hypothetical. The discussed views of eminent speakers would have positive impact on participating students.
