44. Center of Excellence [COE] in Robotics, Autonomous and Intelligent Systems

The areas of Robotics, Autonomous system and Artificial Intelligence systems have seen significant growth in education sector in India and Globally now days. Continuous growth of Advanced Industrial and Manufacturing systems along with applications ranging from Autonomous Vehicles is foreseen as well as increase in demand for undergraduate as well as specialized post graduates programs. This Centre of excellence would cover the major aspect of system engineering and control with emphasis on system autonomy and intelligent. It is fast changing discipline and would equip students with the knowledge and skills to develop a strong career in industry, and/or research skills needed to pursue a research career.

1	Chair Person, Principal, ADIT	Dr. Vishal Singh
2	Convener, Head ME Dept.	Dr. Y D Patel
3	Co convener, ME Dept	Prof. Sankalp Bhatia

5	Member, CP Dept	Prof. Aniruddha Kurtkoti
6	Member, IT Dept	Prof. Ravi Patel
7	Member, EC Dept	Dr. Heena Kher

46. COE in Multimedia Signal Processing

- Establishing the State-of-the art- facilities to carry out research work in Signal, Image and video processing.

- To promote the multi-disciplinary research in the area of multimedia signal processing.
- Develop long term R&D capability as evidenced by increase in publications in refereed journals, a joint publication with international authors, joint programs/projects/exchanges with international research organizations, publication of books, and technical reports.

1	Chair Person, Principal, ADIT	Dr. Vishal Singh
2	Convener, Head EC Dept.	Dr. H N Patel
3	Co Convener, EC Dept	Dr. Heena Kher
4	Member, IT Dept	Prof. Jayandrath Mangroliya

47. COE in Advanced Communication Technologies

The main activity of this center is to motivate and help UG, PG and PhD students for their research in Optical, Microwave, Wireless Communication, Communication Coding and Antenna domain. Earlier this center was known as Center of Research in Optical, Microwave and Antenna (CROMA). This center was established in December 2015. As a part of this center 7 students have did their Master degree dissertation. Currently, three UG students are pursuing their Projects, four PhD students are pursuing their research work.

1	Chair Person, Principal, ADIT	Dr. Vishal Singh
2	Convener, EC Dept.	Dr. P R Prajapti
3	Co Convener, EC Dept	Prof. Mehul Thakkar
4	Member, IT Dept	Prof. Hemanshu Patel

48. COE in Design

1	Chair Person, Principal, ADIT	Dr. Vishal Singh
2	Convener, Civil Dept.	Prof. Bala Dutt
3	Co Convener, EE Dept	Prof. Dhaval Tailor
4	Member, CP Dept	Prof. Gopi Bhatt
5	Member, AE Dept	Prof. NikunjYagnik
6	Member, ME Dept	Prof. T R Prajapati

- To develop a creative ecosystem
- To promote and sharing of problems with industry
- To encourage student projects, Start-ups and research activities
- To tie-up with industry for incubation centre
- To make students aware about emerging trends in the industry
- To start relevant audit course for students and other stake holders

49. COE in Food Product Development and Modelling

1	Chair Person, Principal, ADIT	Dr. Vishal Singh
2	Convener, FPT Dept.	Prof. A S Nandane
3	Co convener, FPT Dept	Dr. Ankita Singh
4	Member, ME Dept	Dr. R R Shah
5	Member, CP Dept	Prof. Chinmay Joshi
6	Member, FPT Dept	Dr Kshitizkumar

Food processing sector has become a catalyst for the development of Indian Agriculture and is of enormous significance to India's development owing to the vital linkages and synergies that it promotes between the two pillars of our economy, industry and agriculture. The centre of excellence in Food Product development and modelling at A.D. Patel Institute of Technology is established to help the food industry to develop new innovative food products and process modelling. Along with new product development the center also aims to cater the needs of food industry in terms of existing process improvement and quality enhancement of food products.

50. COE in Noise, Vibration and Frequency

1	Chair Person, Principal, ADIT	Dr. Vishal Singh
2	Convener, ME Dept.	Prof. H B Joshi
3	Co convener, ME Dept	Prof. Ruchir Desai
4	Member, ME Dept	Prof. Vaishal Bankar

- To provide facility for research in areas like Machinery Diagnostics Noise & Vibration Harshness.
- To provide training for Basic Machinery Vibration Analysis, Predictive Maintenance & Condition Monitoring, Practical Noise Control, Noise Control for Construction Sites, Environmental Noise Measurements & Assessment.
- To provide consulting guidance in areas like Machinery Vibrations, Structural Dynamics, Noise & Vibration Analysis & Mitigation, Environmental and Industrial Noise, Noise & Vibration Monitoring.

51. COE in Road Safety

Centre of excellence in road safety in an interdepartmental research and activity centre to organize activities for promoting and enhancing road safety. The centre undertakes promotional activities for road safety among youth and school children. These activities are spearheaded by 'Team Prayas' consisting students and faculty who primary involved in organizing road safety workshops, plays and first responder training programs for school and college students. Other activities include conducting free medical camps for auto rickshaw drivers. The center also is planning to expand the arena

of work into road safety audits, blind spot identification, integration of artificial intelligence and sensors for road safety and emergency care, etc. The center also is looking forward for research activities in road safety as well as industrial safety. The center had already joined hands with RTO and Traffic police for road safety training for school children of Anand district. The center has association with Zydus hospitals Anand, Charutar Gas Sahkari Mandal for various activities. Following is the team of faculty associated with the center.

1	Chair Person, Principal, ADIT	Dr. Vishal Singh
