

**International Conference on Synergetic Development through Smart Technologies, Sustainability and Digital Transformation (ICSSSD-2026)
25th to 26th June, 2026,
A. D. Patel Institute of Technology,
The Charutar Vidya Mandal (CVM) University**

Guidelines for preparation of the Presentation

The following guidelines are to be followed by all authors presenting papers during ICSSSD-2026:

1. **Presentation Time:** Each oral presentation will be of 10 minutes duration - comprising 08 minutes for the presentation, 2 minutes for questions. Kindly keep maximum 10 to 12 Slides in your presentation.
2. **Time Management:** The session coordinator will give a reminder at the 7th minute. To keep the program on schedule, presentations that exceed the allotted time will be stopped.
3. **PPT Template Usage:** All presenters must prepare their presentation in the provided PPT template.
4. **Presentation Format:** Presentations must be submitted in Microsoft PowerPoint format and brought on a USB flash drive.
5. **Presentation Upload Time and Reporting at the Presentation Venue:** Presenters should report to their respective presentation venue and upload their presentations 10 minutes prior to start of their presentation session. Session coordinator will support the Authors in uploading the presentations.
6. **Submission of Camera Ready Copy:** Along with the Presentation Authors are also requested to upload the word file of the Camera Ready Copy in the same folder before the start of the session.
